Re: U.S. Patent Application No: 10/811,347  
IPTL File No: 4172-120

Dear Sir/Madam:

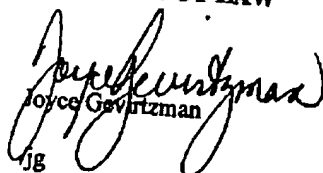

On August 18, 2005, IPTL submitted a credit card form in the amount of \$60.00 for a one-month extension fee for small entity for the above identified U.S. patent application (see attached).

According to the USPTO Credit Card Transaction Statement, the amount charged to our credit card for this application was \$120.00 for large entity status. Please be advised that the applicant, Microcell, claims small entity status and therefore should be charged a fee of \$60.00, instead of \$120.00.

We therefore respectfully request the Commissioner for Patents to refund the additional charge of \$60.00 to our Deposit Account No. 083284 to reflect the correct status.

Sincerely,

**INTELLECTUAL PROPERTY/
